

ROAD SCHOLAR GRANT

The Alpha Xi State Road Scholar Grant (formerly Elderhostel) was established at the Spring 1992 Workshop in Casper. It was the creative idea of President Glenda Reynolds. Monies for the grant are contributed by Delta Kappa Gamma Chapters as their thank you to the State President for her visit or by members wishing to contribute. A motion was made at the April meeting to keep both the Personal Growth Grant and the Road Scholar Grant. This motion passed. Both grants will be given to worthy candidates if applications are received.

A. The applicant must:

1. Have been an active member of Delta Kappa Gamma Society International for at least five years.
2. Be 55 years of age or older and an Active member.
3. Be accepted for a Road Scholar program before mailing the application. Secure catalog, registration form, etc. from Road Scholar, 11 Avenue de Lafayette, Boston, MA 02111-1746. Telephone 1-800-454-5768, fax 1-877-426-2166 or access <http://www.road scholar.org/>.
4. Mail a completed application form to Alpha Xi State Personal Growth Chairman postmarked by:
 - July 30 for Fall (October to January programs)
 - December 30 for Spring (February to May)
 - March 30 for Summer (June to September)
5. Write a brief (one page) summary of the Road Scholar experience, to be filed with the Alpha Xi State Personal Growth Chairman four (4) weeks from the date of completion of the Road Scholar Program. Please include one (1) or more photos or slides to share with Alpha Xi State Convention display.

B. The application for an Alpha Xi State Road Scholar Program will include:

1. Completion of the form available from the Alpha Xi State Personal Growth Chairman.
2. A letter of recommendation from your Chapter President.

C. Applicants are urged to apply again if unsuccessful in obtaining an award. Members are limited to one award.

D. One (1) Road Scholar Award of \$500 will be available during any one year.

E. Awardees will be notified within one month of each deadline, and awardee's name will be announced at an Alpha Xi State function.
