

Wyoming Roundup

Wyoming Honors Past State President Pauline Lanoy

*By Sally Sheehan and
Glenda Reynolds*

Past State President Pauline Lanoy helps at the 2013 Northwest Regional Conference in Cheyenne.

Pauline Lanoy, Alpha Delta Chapter, was a unique character who loved life and all it offered. Delta Kappa Gamma was special in that she added many friends as she visited chapters across the state as state president. She cherished the momentous occasions she attended so much so that she gave huge financial support so that members could attend. Many members can attest to her genuine concern for the Delta Kappa Gamma ideals and purposes. They will also remember her witty character and humorous anecdotes she shared of her life and of living. She was one of a kind who left a tremendous legacy.

Pauline passed away on March 11, 2019, in Coalgate, OK., at the age of 93 years. She was born on December 21, 1925 in Cole, OK. Pauline started teaching in a one room schoolhouse in Coal, Co. at the age of 20 years old. She dedicated her life to learning and teaching others. Pauline retired in 1984 in Rawlins, Wyoming after 40 years of teaching. She and her husband Leon spent their winters with family and friends in

Shirley Trasas Receives State Achievement Award

Shirley Trasas of Greybull is the 2019 recipient of the Wyoming State Achievement Award given in recognition of her many years of service and dedication to the Society. In 1995 Shirley was initiated into Rho Chapter. She held all the offices in her chapter throughout the years and tried to hold her chapter together for many years. When Rho dissolved in 2018, Shirley transferred her membership to Kappa Chapter in Sheridan.

*Dr. Michelle Aldrich
President*

I am really excited about our new opportunities and trying some things that are completely out of the box but may really work for Wyoming!

President's Ponderings

2020 Catch the Vision! DKG, the Future!

Happy Fall Y'all!

I am writing this the morning after our monthly Upsilon DKG meeting and am reflecting on what an amazing group of ladies I get to interact with in my chapter and around the state! Who wouldn't want to share this experience with all of the educators we know? We had a great program on Human Trafficking, an efficient meeting with birthday celebrations, refreshments and lots of great conversation!

As I travel around the state and talk with educators I am amazed at the work I get to do for my day job and what I choose to do with my free time. Whether it is having dinner with a Gillette member, Lyn Velle, discussing business or visiting at the STEAM conference in Laramie with the 2018 Teacher of the Year and newest member of the Gillette Chapter, Valerie Bruce!

As the school year is well underway now is the perfect time to think about who you might invite to join your chapter! Do you have teacher friends? What about a nurse educator at your local medical center? How about that extension agent who helped answer your questions last summer about your garden? Does your child or grandchild take piano lessons—their teacher might be your next new member if she were only asked! Preschool teachers, adjunct college faculty, newly retired educators or even newly hired—all are just waiting to be included in your chapter!

I am really excited about our new opportunities and trying some things that are completely out of the box but may really work for Wyoming! Our spring virtual workshop will provide great training, a keynote speaker, and you won't even have to leave your community! As you think of something you would like us to consider please let me know! If you have ever thought to yourself or said to someone, "If the State DKG leadership team would just...." Or "If I were in charge of Wyoming DKG I would" Please share that with us and let's make it happen!

Working with you on behalf of DKG!

CREATE
THE FUTURE

THE PAST

First Vice President Loretta Experiences the DKG Summer Conferences

*Loretta Tonak
First Vice President*

First, I would like to thank all of you for the travel money and financial support to attend the International Conferences this summer in Asheville, NC and in Des Moines, IA. They were so very helpful in my training for this position.

Some of the highlights from the Arts and Humanities Conference held June 27-29 in Asheville were:

- 1) Attending with Becky Tish from WY. We were the only 2 from our state and we were warmly welcomed.
- 2) Hearing an amazing bluegrass band and watching the J. Creek Cloggers on opening night.
- 3) Attending workshops on making a travel sized sewing kit; filling others' buckets with kind deeds and words; how to access and submit works of art to the DKG Fine Arts Gallery; and on button collecting from a member of the National Button Society.
- 4) Hearing keynote speakers, Dr. Kevan Frazier on the history of Asheville, International DKG President, Cathy Daugherty on retaining and initiating new members, and Sheila Kay Adams, the Eunah Temple Holden Fund Speaker with amusing stories of growing up in rural Appalachia.

I also attended the Leadership International Conference in Des Moines, July 10-12. Highlights from this were:

- 1) Spending roommate time with Carrie Manders and Becky Tish as well as celebrating my birthday with the other sisters from Wyoming.
- 2) Attending general sessions led by Susan Leahy, the Eunah Temple Holden Fund Speaker for this conference. She led us through Leadership Bootcamp to get us working together and inspired us to be "right here, right now" and to generate change.
- 3) Listening to an amazing speech by Dr. Judith Merz on leadership. She was later given the international Achievement Award at the final banquet.
- 4) Attending workshops on Educational Excellence led by Lisa Olson from North Dakota and Nita Scott from DKG headquarters.

I received a zip drive at leadership training with a PowerPoint presentation on The Educational Excellence committee. At some future state gathering, I would love to share this with the group.

"...Susan Leahy...led us through Leadership Bootcamp to get us working together and inspired us to be 'right here, right now' and to generate change."

Happy Birthday, Loretta!

Carrie Manders
Second Vice President

Get Membership Help From Current Members!

Membership in organizations around the world is decreasing; people are busy, don't have the money for membership, don't understand the benefits, or don't feel useful in the organization. These are valid reasons not to join or reasons to quit an organization; we can all agree on that! However, there are hundreds of ways to get and retain members in DKG; just google it!

After listening to numerous members talk about methods of gaining and retaining members and talking at length about the issue with my own local chapter, I feel like the best way is to get help from current members. Here are 5 outstanding ways to utilize current members to gain and retain members.

Get Help from Current Members

1. Host a "bring a friend" meeting Encourage members to bring someone. This could even be a recurring event so that new members are continually bringing new friends!

2. Reach out to former members Some people might be ready to come back.

3. Encourage members to share your newsletter Especially if they're featured in it!

4. Invite members' families to events Spouses, siblings, parents, and (grown-up) children are all potential members (depending on the type of membership you offer).

5. Help members develop an "elevator speech" about their membership Why are they members? What's the biggest benefit of membership? Can they explain the purpose of the chapter?

I thought number 4 was interesting, because, I bet, there are numerous potential members in current members' families AND sometimes it is nice to share something you are passionate about with family. I am going to encourage Lambda chapter to use this activity to gain members.

Ladies, all organizations are struggling – its just a fact! Keep thinking outside the box about potential members and keep trying new activities to recruit and retain!!!

“Here are 5 outstanding ways to utilize current members to gain and retain members.”

Shirley Tranas
Treasurer

“Last year we lost two more chapters. We are feeling the loss this year.”

Message from the Treasurer

The treasurer’s job took on a whole new look this year. We have talked about it for a couple of years . We had training on-line and then we had hands on training last April. Paying dues is on-line. Chapter treasurers pay their chapter dues and update emails and addresses. International sends out dues reminders throughout the summer so members learn to get dues paid as soon after July 1 as possible. The first reminder is July 15.

We no longer pay any scholarship fees and initiation fees to International. Each member pays a dollar for scholarship fees. If the chapter has a scholarship fund, they keep \$0.80 and pay the state \$0.20 for each member. If there is no scholarship fund, they pay a \$1.00 to state for each member. Initiation fees are \$10.00 for each new member. The chapter keeps \$7.50 and sends \$2.50 to state.

One report I have had trouble receiving the last few years is Form 6 (Death of a member). This report goes to International, State Treasurer and State Second Vice President (Carrie Manders). If your chapter has someone that has passed away after March 15, 2019 until now, please fill out the form and send it out.

Last year we lost two more chapters. We are feeling the loss this year. To make the budget balance, we needed to add a little over \$1,000 to miscellaneous receipts. Any ideas for a money maker?

Glenda Reynolds, Phi Chapter member and state editor, has been selected to be the nominee for the International Finance Committee. The International Finance Committee is responsible for proposing guidelines for international Executive Board approval with respect to the investment of funds, for preparation of the Available Fund budget for adoption by the international Executive Board and for provision for an annual audit.

Glenda is a past Northwest Regional Director. She has held many positions in Wyoming and presently serves on the International Non-Dues Revenue Committee. Glenda has served at the international level on the Educational Excellence Committee, Expansion Committee, Communications Committee, Scholarship Committee, Personal Growth and Services Committee, and has chaired the Communication and Publicity Committee.

Glenda Reynolds is an International Elected Office Nominee

Innovation in Leadership Development Training Is Planned

By Yvonne Gatley, Leadership Development Chair

Exciting innovation will take place on Saturday, April 25, 2020, as the Wyoming State Organization presents a virtual leadership development experience. You and your members will be able to participate in this training day without leaving your own city. A different session will be offered every hour throughout the day. Lunch will be scheduled from 12 - 1, giving you an opportunity to socialize with your chapter members.

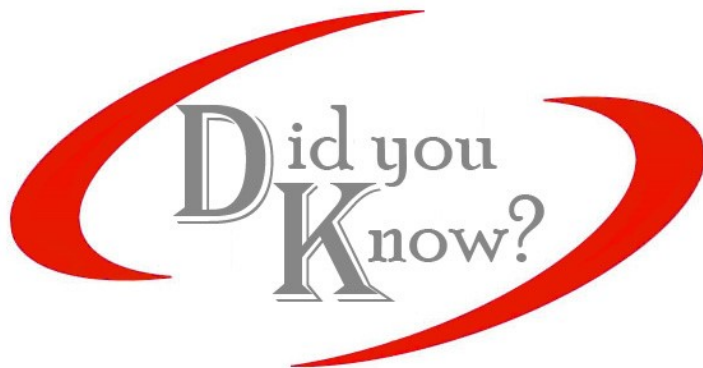

Details will be sent out once we have finalized topics as well as directions for virtual/digital hook up. Put Saturday, April 25 on your calendars now and plan on an informative and unique way to gather and learn as Delta Kappa Gamma members in Wyoming.

Attention all members of DKG: Opportunities await!

By Julia Burke

Learn about attainable growth through Cornetet Individual Professional Awards.

All members are encouraged to apply for a Cornetet Individual Professional Development Award or to plan with others to seek a Seminar Professional Development Award. Have you heard that Project Awards touching all areas of education are available to members and nonmembers? Resources for such professional growth and for worthwhile projects are available. Visit dkgef.dkg.org and click on the Apply/Submit tab for details.

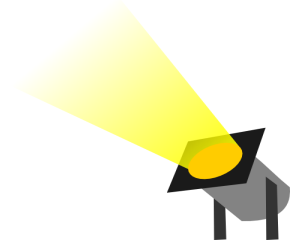

Our official name now is Wyoming State Organization in compliance with The Delta Kappa Gamma Society International Constitution and Standing Rules.

We can and will use WySO. In your chapter documents you need to delete Alpha Xi State or place Wyoming State Organization before it.

WySO

WySO Spotlights Valerie Bruce, Theta Chapter, Wyoming's 2019 Teacher of the Year

Valerie Bruce, Theta Chapter, is currently serving as the 2019 Wyoming Teacher of the Year and was chosen as a 2018 Presidential Award for Excellence in Mathematics and Science Teaching (PAEMST) State Finalist. She earned her undergraduate degree from the University of Montana-Missoula—Go GRIZ!!! In 2017, she earned her Masters in Educational Administration and Supervision of Curriculum and Instruction from Chadron State College. This year, Valerie is learning with her 10th group of first graders at Rozet Elementary School in Campbell County School District #1 and cannot believe she gets to do what she has been called to do each

and every day. She is passionate about all things education but has recently found a fire for supporting teachers and leaders in the work they do to ensure ALL learners have the best opportunity to grow, persevere, and fall in love with learning. Valerie was inducted into Gillette's DKG Chapter in August and provided the September program in her classroom. She is honored and thrilled to be a part of the work DKG does to benefit the community and serve the mission of empowering key women educators and excellence in education. Connect with Valerie and follow her journey as a lifelong learner and student of leadership [@wytoy19](#).

My Journey as Wyoming's 2019 Teacher of the Year

Valerie Bruce ~ First Grade Teacher ~ Rozet Elementary School Gillette, Wyoming

This all began with a twinkly eyed, rosy cheeked, first grader who had the amazing ability to ask a question about his question before you could respond to his initial question, with the biggest smile on his face!

In February 2018, I received an email from my Superintendent, Dr. Alex Ayers, notifying me that I had been nominated for Campbell County School District's Teacher of the Year and that I would need to fill out the application to move further in the process. Upon reading the nomination information from that rosy cheeked boy's mother I was beyond touched that she had taken the time to nominate me. I realized just what an amazing career teaching is and what an opportunity we must positively impact our students and their families during our time learning together. After interviewing with a panel of 12 members, I was recognized and named as CCSD #1's Teacher of the Year. I was able to celebrate with my family and my Marigolds, like Jennifer Gonzalez who wrote about them in her 2013 piece, One Essential Rule For New Teachers: Find Your Marigold. After making it to the top five candidates based on the application, I then went through an interview process with the Wyoming Department of Education. From there, I was selected for the top three, my next task was to submit a teaching video just two weeks into the new school year, August 2018.

See VALERIE, 8

VALERIE From Page 7

Fast forward to October and I had not heard about the award yet, and I enter my school gymnasium on a student concern call to find my entire school, my family, and school board members silently waiting to surprise me with the news of being named the 2019 Wyoming Teacher of the Year. Past students of mine held the banner as I entered the gym and I was able to enjoy a video compilation of students sharing what they remembered about our classroom and me. What an experience!!! I will never forget that moment for as long as I live,

so much joy, pride, and excitement throughout my entire school community and family.

My first official commitment as the 2019 Wyoming Teacher of the Year was speaking at the Wyoming School Boards Association, in November.

The organization who runs the National Teacher of the Year program is the Council of Chief and State School Officers (CCSSO). CCSSO partnered with Google for Education to host our Induction Week in San Jose, and San Francisco, California in February of 2019. During our time together we learned about the power of story-telling, how crucial our teacher voice is in advocacy and policy, and we were empowered to think, plan, and create our action steps for impacting change for our kids as Teachers of the Year.

One of the most amazing parts of this experience was meeting the other 56 representatives from the U.S. Territories, Department of Defense Education Activities, and State Teachers of the Year. I was told by Wyoming's past representatives that we would form a family bond, and they were right! These individuals are amazing educators and I am so blessed to know them.

One of my primary goals for my work this year has been to grow the program within our state and work to build connections across district lines, celebrate and elevate our profession, and educators, as well as inspire, encourage, and empower educators during speaking opportunities, sessions, workshops, and meetings. Through this work I have identified three of my passion projects: working with early service/pre-service educators, the power of connection, and early literacy.

opportunities, sessions, workshops, and meetings. Through this work I have identified three of my passion projects: working with early service/pre-service educators, the power of connection, and early literacy.

In Wyoming, the privilege of the floor is given to the State Teacher of the Year during the Legislative Session in both the Senate and the House. On February 14, 2019, I addressed both chambers and shared about our kids and what a powerful role education plays in our communities. During this experience, I was able to video chat with my students and show them where I was. Sharing their story and this experience with them has been the most rewarding part of this.

Pictured from left: Superintendent Dr. Alex Ayers, Dr. Joseph Lawrence, Chair Mrs. Anne Oaks, Valerie, Mr. Foreman, and principal Mr. Nate Cassidy.

Pictured are Superintendent of Public Instruction Jillian Balow, Governor Mark Gordon and Valerie.

See VALERIE, 9

VALERIE From Page 8

At the end of April, I traveled with Rozco, our class bear, to the National Teacher of the Year Recognition Week in Washington, D.C. While there I had the opportunity to meet our President, Vice President, Second Lady, and our Wyoming Senators John Borasso, Mike Enzi, and Representative Liz Cheney. It was an amazing opportunity to talk about our community and share about our kids.

I am so thankful for the opportunity to have worked and learned with that amazing rosy cheeked, curious boy, who led me on this journey!

Stay tuned for the Spring Edition of Round Up to read about the rest of my journey as the 2019 Wyoming Teacher of the Year!

LANOY From Page 1

Coalgate, OK, finally residing in Coalgate permanently in 2013. Pauline taught multiple grade levels over her career, before she retired she became the school librarian.

One of Pauline's lifetime achievements was authoring the book "A Colossal Fossil and The Life Story of Leon Lanoy", a Tiger Medallion Award, by ECU for Philanthropy in 2008. In 2009 they were inducted into the Educator's Hall of Fame and in 2016 the Education Building at ECU was named the Lanoy Building in their honor. She received Teacher of the Year in 1977. Pauline received the Wyoming State Organization Delta Kappa Gamma achievement award.

Pauline had a life well lived. Wyoming State Organization will miss her.

Enchanted Chapter Gardens Chapters Report From Around the State

Beta Chapter Beta continues to give the new teachers gift packages. Our last one was last spring. We put in such things as small hand sanitizers, candy, sometimes pens, words of encouragement, tea packets, small water bottles and sticky notes, etc. Of course we enjoy hosting the state meetings and meeting everyone who comes. .

Chi Chapter Here is the [link](#) to our newsletter that just went out.

Submitted by Alivia Bingham

Kappa Chapter Kappa chapter in Sheridan began our school year with a planning session. Members set their calendars to include: preparing new teacher bags, learning about new classroom technology, taking part in a book club discussion, playing bunco, and bird watching. To help in our community, on September 28, several members assisted in a build day at a home under construction for Habitat for Humanity. Early 2020 will find us hosting a wine and cheese event as we invite prospective members to learn more about Delta Kappa Gamma. We hope to look beyond our typical membership recruits to find worthy women educators in our community who will benefit from membership as much as we do.

Submitted by Yvonne Gatley

Lambda Chapter Lambda Chapter in Newcastle wants to, first and foremost, share the loss of a fellow DKG sister. Unfortunately, Kathleen Tavegia was diagnosed and passed from pancreatic cancer. She was a member of our local chapter of Delta Kappa Gamma for 48 years; volunteering time for fundraisers, local service projects and hosting the beginning-of-the-year meeting at her home for many years.

A review of Lambda activities last year includes hosting the National Honor's Society Luncheon where students and their families are celebrated for their outstanding achievements with a carry-in luncheon held by Lambda Chapter. We were also able to give a \$1000 scholarship to a graduating senior who is planning on pursuing education as a career. Finally, we donated \$300 to post-prom activities. Our funding allowed the committee to sponsor laser-tag.

We plan on continuing these service projects this year as well. Our goal, as with all chapters, is to build and retain membership. To achieve this goal, we have invited many prospective members to join us for the year before deciding if DKG is the right fit for them. We are also working on higher numbers of participants in state, regional, and international events.

Submitted by Carrie Manders

Phi Chapter Phi Chapter members plan our monthly meetings. We find that members are more engaged and involved when they have input and an opportunity to team with others. In March one of our member teams arranged for State Representative Sara Burlingame to attend our meeting at Davis Elementary School. Sara shared her experiences and insights from the 2019 Legislature Session. We gained a lot of knowledge about the life of a legislator and how to be involved as citizens.

Our April meeting was held in the new STEM Lab at Buffalo Ridge Elementary School. We got to participate in STEM activities, led by two district technology specialists. Buffalo Ridge had recently been renovated so we enjoyed seeing the beautiful building.

In May Phi Chapter participated in the annual three-chapter Founders' Day Dinner. Fellowship with members of Cheyenne's other two chapters is always enjoyed. New chapter members were inducted and members who had passed in the last two years were remembered. Scholarship and grant recipients were recognized as our special guests. Amy Schick was awarded the Phi Chapter Member Scholarship to help in her completion of a master's degree at the University of Wyoming.

Phi Chapter has a tradition of meeting in August to plan meetings and programs for the coming year. The chapter officers provided brunch and one of our members hosted us in a gathering room at Primrose Retirement Community. It's amazing to see how quickly small teams can plan a whole year of activities!

In September the three Cheyenne chapters always meet together for a potluck dinner. This year we met at Triumph High School, which is our district alternative high school. The food was great and each chapter gathered for a business meeting after dinner. One of our members teaches at Triumph and hosted us. The October team planned a fun time of charades, relaxing, and Halloween fun.

Through illnesses, births, and losses Phi Chapter of Delta Kappa Gamma remains a group of friendship and support, plus outreach to our community.

Submitted by Marla Worley

Theta Chapter Theta Chapter assists with Campbell County Eat. Read. Grow. Eat. Read. Grow. is an opportunity for families in Gillette to get together for a hot meal, listen to books read by celebrity

readers, enjoy entertainment and receive bags of food and books. Since 2014 this group has provided meals, bags of food, and books for children at twelve schools in Campbell County. Over 1500 books have been given away. Funding for the program has come from many groups in Gillette. Not only does DKG Theta Chapter have members on the committee, it has also contributed funds from a book sale and a member's contribution. Members also have assisted at each function.

Submitted by Ann Hardesty

Sally Sheehan and Michele Janota set out books at the Eat. Read. Grow. Event.

"A garden requires patient labor and attention. Plants do not grow merely to satisfy ambitions or to fulfil good intentions. They thrive because someone expended effort on them."

Liberty Hyde Bailey

CHAPTERS From Page 15

Upsilon Chapter The 2019-2020 year finds our DKG Upsilon Chapter with 74 members that are teaching, facilitating or retired, snowbirds or home bodies, but all enjoying the friendships when belonging and connecting to other leading women educators.

We'll enjoy exploring Discovery Centers-2, learning about new programs at the Laramie Co. Library and little-known facts about Cheyenne, planning our 37th Used Book Sale, and looking for that special "White Elephant" gift for our *Love a New Member* meeting. Collaborating, sharing, and celebrating with new and veteran members will be vital parts of our year.

We look forward to the Founder's Day Dinner in May to once again catch up with our other sisters, meet scholarship receipts of DKG, and welcome our new officers for 2020 .

TRANAS From Page 1

Starting in 2005 Shirley began her journey at the state level when she was elected state secretary. She continued to serve the state by being Second Vice President in 2009, then First Vice President in 2011, and then the Wyoming State President in 2013. In 2015 she was appointed state treasurer and she continues to serve at that position. Shirley has attended all state conventions (minus 2017 due to snow), all leadership development days and fall state meetings. The 2011 state convention in Greybull was organized by Shirley. She has presented workshops appropriate to each office she held. Currently Shirley is leading Wyoming's chapter treasurers through the transition of using the new online dues payment procedures.

Shirley has attended international conventions since 2008. She also has attended every regional conference between 2009 and 2017 where she participated in the leadership training sessions for her office.

As a 3rd or a 4th grade teacher at the Greybull Elementary School Shirley compiled 26 years of teaching experience plus about 9 years subbing in her district. She retired in 2012.

Born in Upton, Wyoming, Shirley remained a Wyoming gal and graduated from high school in Sundance in 1969. She has been married 48 years to her husband Donald. They have four children and eight grandchildren. Shirley stayed home until all four children had made it through preschool before going back to school to earn a degree. She received a bachelor's degree in Elementary Education from the University of Wyoming in December 1985. In Greybull Shirley is a mentor mom for MOPS and active in her First Baptist church teaching and serving. She also coached intermural sports for grade school children in the '80s.

Wyoming State Organization congratulates Shirley on receiving this well-deserved award.
